## MAINE STATE COUNCIL

David J. Roy, State Deputy  
Mark R. Bourgoin, State Treasurer  
68 Main Street  
Limestone, ME 04750

June 2015

Dear Grand Knight & Council Membership,

The intent of this letter is to inform you that for the past month the Maine State Council has been renegotiating a new liability insurance policy. We are working with a new agency and though many insurances are going up in cost, we are working diligently to keep the cost at the same rate you paid last year; \$1.30 per member.

Approximately 60% of the councils currently purchase the liability insurance. We wish to inform you and those councils that are not currently purchasing the insurance to be aware of some changes that will become effective 01 July 2015.

- The new insurance policy will have a "rider" that will care for property damage in the event that the council hosts/sponsors an event. (NOTE: If your council resides in a home association building, their insurance may or may not cover events that occur away from the property. If you are one of those councils, please check with the home association.)

**REMINDER: This insurance will cover those that attend your functions and events; such as wives, children, family members, friends, neighbors, etc. It does not cover the Knights themselves. Secondly, if your council resides in a church, we strongly encourage you to purchase the insurance as most Church Insurance Policies do not cover events hosted/sponsored by entities (such as the Knights of Columbus) other than the diocese.**

If you are not currently purchasing the insurance and wish to do so, please contact State Secretary Norman Gray as soon as possible. The insurance assessment will be sent out along with the per capita assessment during the month of July.

If you have any questions regarding this message, please do not hesitate to contact me. I can be reached at home (325-3588), cell (227-8184) or email: [mbourgoin@tamc.org](mailto:mbourgoin@tamc.org).
