FUND RAISING:

As you know, the Master does not have a budget to cover expenses for travel, supplies, equipment, and the annual exemplification. We rely on the generosity of assemblies. To raise needed money for expenses and to purchase new equipment for the exemplification, I sent CLYNK bags to assemblies that have a participating area HANNAFORD store. Thanks to Sir Knights donating their empty cans and bottles in those bags, we have almost \$50 in that account. Let me know if you need more bags.

Old Orchard Assembly 0358 will sponsor the Master's Ball on Saturday, October 18th. See the attached flyer for details. I really appreciate their support and hope the Ball will be a huge success. I know we will have fun that night. We hope to see you there.

UPCOMING EVENTS:

Please schedule your installation of officers with me as soon as possible. Please have alternate dates, if possible. We can also certify the Honor Guard at the same time.

Please notify the Honor Guard that we need them in full regalia at the Togus Veteran's Hospital at 8:15AM on Sunday, November 2 to attend 9AM mass with the veterans. All Sir Knights are invited to attend wearing their Social Baldrics to show their appreciation to the veterans.

Wreaths Across America needs your support. Their goal is to place a wreath on every grave at Arlington National Cemetery in December. See attached flyer for details.

If you need assistance with Assembly matters, please don't hesitate to contact me.
