Brothers,

Summer is over so let the fall season start. My goal for the Tootsie Roll Drive this year is that EVERY council in state either participate in or donate toward this years drive. If your council has never done a Tootsie Roll Drive , call me, email me , or I will come to you to help with one. Please this is an important state council event and WE need you!!! Thanks Brothers!!!

Also I want to emphasize the work you do throughout your community on a daily basis. Turn in to your councils' surge director and get credit for it. Items I heard from my council was, "I gave blood, "I worked at a Food Pantry", "I volunteer at a nursing home", and "I help with my kids little league team". These are some of the things that happen in my council and I am sure you all do great things , so get together with your surge director in your council. If there is not one, then tell the Grand Knight you would like to send in the surges to the state.

Remember Brothers, "THE POWER OF ONE"

Fraternally yours,
