

*Michael Giroux
Maine State Council
Youth Director*

September 2012,

My Brother Knights

I have heard from some councils excited about the Squires...many more need to step up and start the process. It's an easier process than you might think; low to no cost and huge potential benefits for all of us!

By now, the seventh annual State Soccer Challenge is over with, I wish to thank all those who helped with the process and encourage those of you who didn't host a competition to start thinking now about next year!

Journey 2012 is next on the list, the week of November 16-18th at St. Dom's in Auburn. We still need lots of help in the kitchen, on security, and in adoration. The fourth degree will need honor guard members for the masses and adoration. Baked goods and healthy snacks are needed all weekend long, so if you don't have a little time to donate...bake something! And please keep these young people of ours in your prayers; they are our future and the future of our Church!

Don't forget that school has started and there are many opportunities in our schools, at athletic events, and in our Churches to support youth programs in a positive Catholic way; get your members involved!

Michael Giroux
State Youth Director
